VALUE USB 2.0 Notebook Hub, 4 Ports, mit Netzteil

VALUE Hub USB 2.0 pour portables, 4 ports, avec adaptateur

VALUE USB 2.0 Notebook Hub, 4 Ports, with power supply

14.99.5016 - VALUE USB 2.0 Notebook Hub, 4 Ports, with Power Supply

This USB 2.0 4port mini hub, it allows you to conveniently connect notebooks to peripherals with a fast transfer rate of 480 Mbps, approximately 40 times faster than USB1.1. It's compact and light-weight design, easy portable.

Features :

- Self-powered USB hub distributes power equally among 4 ports – ideal for travel
- Ultra-lightweight, compact design draws additional 500mA current from your laptop or desktop computer to support up to four USB devices
- Latest USB technology, version 2.0, at 480 Mbps, provides super high-speed data transfer rate at 40 times faster than USB 1.1
- Backward compatible with USB 1.1
- True plug and play; no drivers required
- A switching AC power adapter included

System Requirements :

For compatibility with USB 2.0v (low-, full-, and high-speed modes)

1. Pentium-class CPU with USB port computer
2. 1 available USB 2.0v (or USB 1.1v) type A port
3. Computer running Windows 2000/ME/XP/Vista or Mac OS
