17.03.0111

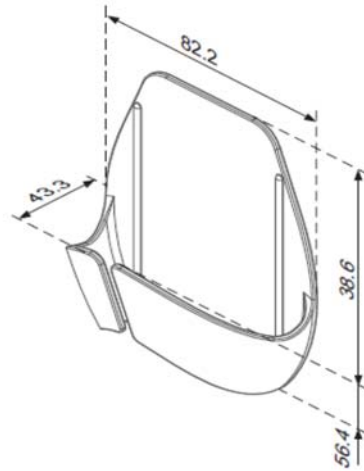

ROLINE Modulares Arbeitsplatz-System, Maushalter,

ROLINE Modular System Mouse Holder,

ROLINE Modular System Mouse Holder,

Item no.: 17.03.0111

ROLINE Modular System, Mouse Holder, white

unit:mm

Features:

- Assembly part for display mount which are used for various applications in the Industrial, Office, Education, Hospital, and other fields
- Material: plastic
- Colour: white

ROLINE Modular System

These series provides flexible solutions to meet your own various applications

- Warehouse & Inventory control / Assembly Line / Test Lab
- Financial / Trading / Conference Room / Reception
- Library / Cafeteria / Laboratory
- Retail / Wholesale / Public Spaces

- The combination of the different elements of this series allows you the ultimate functionality, flexibility and performance
- **2 ranges can be built: Track Mount Type / Wall Mount Type**
- The spreadsheet below shows you many possible combinations of the elements

- Built for normal duty and heavy duty computer workstation use
- Safe and ergonomic

Track Mount Type

- Slide the monitor arm in place on track easily
- Ideal solution perfect for use in different environments
- Gas-spring assisted arm offers easy height adjustment and ergonomic comfort
- Accommodate users of sitting and standing work postures to create a healthy workplace
- Organized cable management
- The minimum need to realise this is the use of the correspondent elements (ROLINE Modular System Wall Track – 17.03.0102 / ROLINE Modular System TrackMount Bracket – 17.03.0101) in combination with extension arms (with or without gas spring), display bracket, display/keyboard holder...

Wall Mount Type

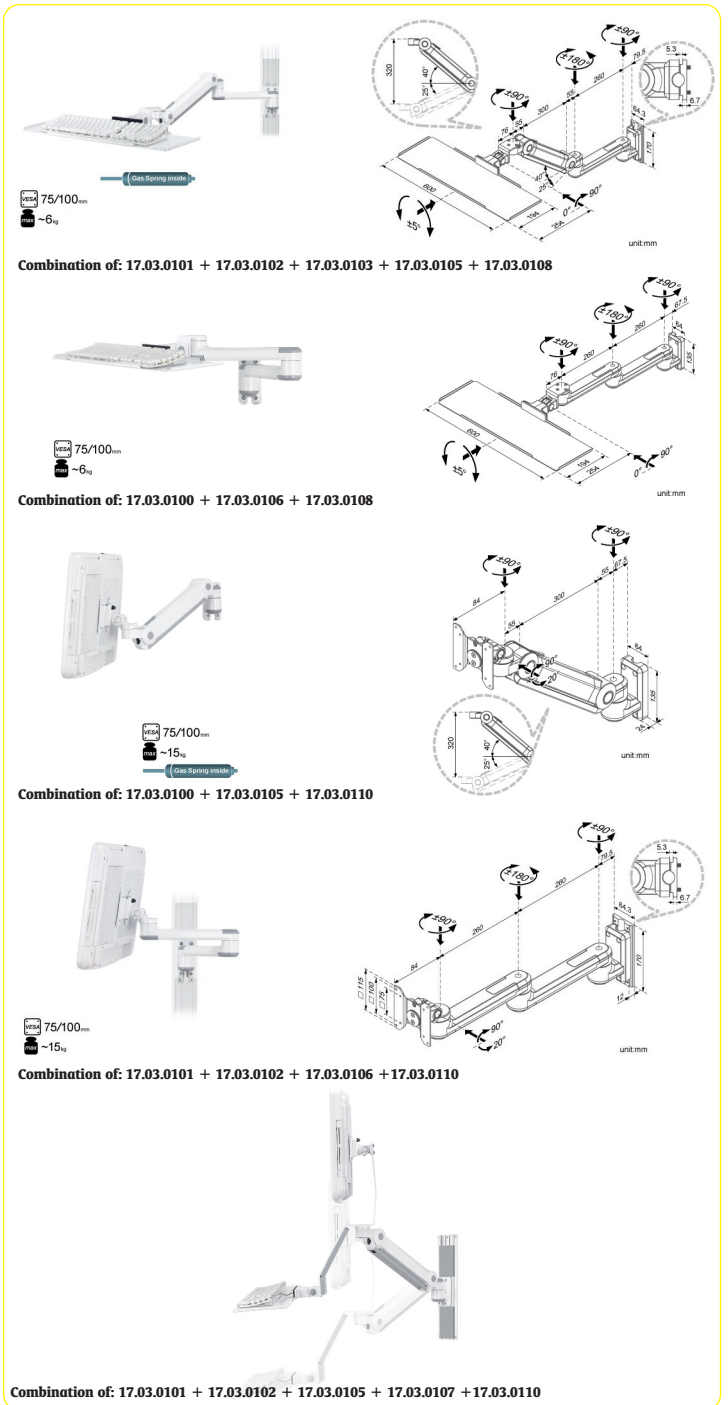

- Designed for use in space-constrained environment settings
- Superior design to provide easy adjustment
- The arms fold back to the wall into a compact retracted position for space saving
- Multiple configurations maximize productivity and flexibility
- Integrated cable management offers easier cleaning and a neat look
- The minimum need to realise this is the use of the correspondent element (ROLINE Modular System WallMount – 17.03.0100) in combination with extension arms (with or without gas spring), display bracket, display/keyboard holder...

Additional Accessories

- The elements mentioned below can be used as accessories for a better space organisation if you are using components like CPU / power adapter (power supply for monitor or CPU) / mouse
- ROLINE Modular System Power Adapter Holder - 17.03.0109
ROLINE Modular System Mouse Holder - 17.03.0111
ROLINE Modular System CPU Holder - 17.03.0112
