

TK-C15 **15 Feet KVM Cable (male-to-male)**

Trendnet's TK-C15, 15 feet KVM Cable, comes with each connector needed to connect a keyboard, monitor and mouse and will allow you to extend each of these peripherals from a KVM Switch to a laptop or desktop system, up to 15 feet in length. Along with TRENDnet's TK-200 2-Port, TK-400 4-Port and TK-801R 8-Port KVM switches, you made the perfect choice to control and manage multiple PC's with just one keyboard, monitor, and mouse.

FEATURES

- Length: 15 ft. (4.5 meters)
- High-grade KVM cable (UL2919 for VGA monitor).
- Keyboard & Mouse: PS/2 type 6-pin mini Din.
Monitor: 15-pin HDDB type
- 1 Year Warranty
