## Safety Instructions

Read the entire instruction manual before you start installation and assembling. If you have any questions regarding any of the instructions or warnings, please contact your local distributor for assistance.

**CAUTION:** Use with products heavier than the rated weights indicated may result in instability causing possible injury.

- Please closely follow the assembly instructions and use safety gear and proper tools. Improper installation may result in damage or serious personal injury.
- Make sure that the supporting surface will safely support the combined weight of the equipment and all attached parts and components.
- Use the mounting screws provided and **DO NOT OVER TIGHTEN** mounting screws.
- This product contains small items that could be a choking hazard if swallowed. Keep these items away from children.
- This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury.

**IMPORTANT:** Ensure that you have received all parts according to the component checklist prior to installation. If any parts are missing or faulty, contact your place of purchase for a replacement.

**MAINTENANCE:** Check that the product is secure and safe to use at regular intervals (at least every three months).
