

ROLINE Monitor Cable, DVI (24+1) - HDMI, M/M, black /silver, 7.5 m

Product No.	11.04.5874
Manufacturer	ROLINE
Manufacturer No.	11.04.5874
EAN (single piece)	7611990145102

ROLINE HDMI to DVI cable for connecting an Ultrabook, notebook/laptop or PC to a monitor, TV, beamer or projector - for screen transmissions in excellent quality with a 4K resolution of up to 3840x2160 @30Hz!

- HDMI is a universal connection standard for the transmission of video and audio signals. Applications are primarily the connection of monitors and televisions to computers, Blu-Ray players and similar devices.
- The HDMI connection requires less space and is therefore more suitable for portable display devices (ultrabooks, notebooks/laptops) or for 2 connections on a graphics card (on a slot plate).
- The robust nylon braiding effectively protects the HDMI cable and makes it look stunning.
- High-quality, double-shielded cable (foil + braiding) with gold-plated contacts for optimum transmission of image signals
- Cable with one DVI-D (24+1) and one HDMI connector, the cable can be used in both directions
- Example of use: Connection of a TFT monitor with DVI interface to a TV tuner card with HDMI connection

Technical specifications	
Manufacturer	ROLINE
Product group	Cable
Product type	HDMI-DVI cable

Colour	black /silver
Length	7.5 m
Max. resolution	3840 x 2160 @30Hz (4K, Full HD)
side 1 connector	DVI - D 24+1 Male
side 2 connector	HDMI Male
Side 1 Connector Type	DVI-D 24+1, Dual-Link
Side 1 Connector Gender	Male
Side 2 Connector Type	HDMI Type A
Side 2 Connector Gender	Male
Area of application	External
Cable shielding	Screened
Technical particularity	Cable can be used in both directions
Weight	482.4 g
Height of packaging (single piece)	35 mm
Width of packaging (single piece)	170 mm
Depth of packaging (single piece)	170 mm
Package weight (single piece)	0.48 kg
