Simple and clean solution for professional cable management

- No more cable clutter under, next to or behind the workstation, TV or stereo system
- The ROLINE polyester fabric hose, which can be rolled in with strap band, solves your problem and can be attached easily and practically
- Simply put over the cables to be bundled - without any feeding aid or tools
- No cables or plugs have to be dismantled.
- Fabric hose can be cut to the desired length and bundles cables up to 25mm diameter.
- Protects your cable and is heat resistant
