

# ROLINE Keystone 19" Module Frame, empty, 24 ports, shielded, clip fixing, black

<b>Product No.</b>	26.11.0390
<b>Manufacturer</b>	ROLINE
<b>Manufacturer No.</b>	26.11.0390
<b>EAN (single piece)</b>	7630049628854

## 19" module frame for shielded keystones - now with clip fastening for the cables.

- 19" module frame for (especially shielded) keystones/modules
- Color code on the keystone jacks, based on the standard EIA/TIA 568 A and 568 B
- 24 ports
- Color: black
  
- REMARK: Strain relief - the cable fixing is realized with cable clip which saves a lot of time in comparison with the traditional method by using cable ties.  
The cable clip can be opened for the insertion or removal of wires/cables and then snapped shut.
  
- Remark: Keystones are not included. Please order them separately.

### Technical specifications

Manufacturer	ROLINE
Product group	Connection technology TP
Product type	Patchpanel Cat.6 / Class E
Colour	black
Shield type	Screened
Transfer quality	Cat6A / Class EA

Cabinet system	19"-Technique
----------------	---------------

Quantity of ports	max. 24
-------------------	---------

Modular assembly	yes
------------------	-----

Connection direction	Straight
----------------------	----------

Height	44 mm
--------	-------

Width	482.6 mm
-------	----------

Depth	109 mm
-------	--------

Weight	640.2 g
--------	---------

Height of packaging (single piece)	50 mm
---------------------------------------	-------

Width of packaging (single piece)	130 mm
--------------------------------------	--------

Depth of packaging (single piece)	500 mm
--------------------------------------	--------

Package weight (single piece)	1.4 kg
----------------------------------	--------
