

ROLINE slide rail set variable depth, 350 to 600mm incl mounting material

Product No.	26.21.0113
Manufacturer	ROLINE
Manufacturer No.	26.21.0113
EAN (single piece)	7630049601161

ROLINE slide rail set depth variable 350 to 600mm incl mounting material

The L-Support slide rails facilitate the installation of heavy plug-in units in all ROLINE 19" network or server enclosures. They are attached to the four 19" profile rails and are made of galvanised sheet steel with a load capacity of 100 kg, thus ensuring optimum support for your components.

Technical specifications

Manufacturer	ROLINE
Product group	19"- / 10" technology
Product type	19"-Slide
Colour	silver
Scope of delivery	L-support slide rail set (two rails - for left and right 19" profile rails), mounting material
Material group	Steel
Maximum weight capacity	100 kg
Height	52 mm
Width	44 mm

Depth	350 mm
Weight	2650 g
Height of packaging (single piece)	70 mm
Width of packaging (single piece)	70 mm
Depth of packaging (single piece)	390 mm
Package weight (single piece)	2.43 kg
