Easily transform a conventional desk into an ergonomic sit-stand workstation and switch between sitting and standing throughout the working day. The high-quality gas spring allows a dynamic height adjustment with improved stability. The two-stage design ensures that the keyboard and screen remain in the correct position, both when sitting and standing. The easy-to-use handle allows you to adjust the height in no time at all.

- Switch easily between sitting and standing
- Stepless height adjustment (min. 115 mm – max. 510 mm) – allows you to customize your workspace to suit your needs
- Gas spring lifting mechanism – for easy and effortless height adjustment of the workstation
- Work surface: 800 x 400 mm, max load of 15 kg
- Keyboard / Mouse Tray: 800 x 260 mm, max load of 2 kg
- Rounded corners and edges
- Sturdy construction
- Color: black
