

VALUE Twisted Pair Separation Tool, (0.8 mm - 1.8 mm)

Product No. 19.99.1005
Manufacturer VALUE
Manufacturer No. 19.99.1005
EAN (single piece) 7630049632165

Efficient and gentle: The twisted pair cutting tool prepares wires perfectly before installation, untwists quickly and without damage. It is suitable for left and right-handed users and reduces finger strain for more comfortable handling.

- Perfect preparation tool works on UTP / STP twisted pair wires before installation
- Untwists each pair and straightens individual wire faster and efficiently
- Spring-loaded design without damaging or stretching to twisted pairs during separation
- Double-ended and both sides front and back insertion suitable for left/right-handed used
- Reduces your finger pressure on tedious work, makes job simpler and more comfortable
