## 19" cable guide 1UH, 5 loops, black, for horizontal or vertical cable routing

- Essential piece of equipment for server or data cabinets environments
- Suitable for mounting on all 19" data cabinets and server racks, allowing cables to be neatly routed for a higher reliability of connections throughout the cabinet or rack
- The cable rings create an ideal bend radius for the networking cables and greatly assists keeping the rack neat, they can be used vertically or horizontally
- Designed to give extra support for patch leads and prevents obscuring other equipment and to prevent cable strain
- Makes installation neater and more professional
- Cables slide in and out comfortably without falling out by themselves
- 1UH quality metal bar
- 5 cable rings (hooks) for great cable management

### Technical specifications
