# VALUE 19" 1U Rack Mountable Cable Management Bar, (horizontal) with adjustable Depth, black

Product No.	26.99.0435
Manufacturer	VALUE
Manufacturer No.	26.99.0435
EAN (single piece)	7630049636026

19" Cable bar, 1U, black, for horizontal cable routing with adjustable depth (40 - 90mm)

• Cable support guide for 19" server or data cabinet environments
• Suitable for mounting on all 19" data racks and server racks so cables can be neatly laid - important for greater reliability of connections throughout the cabinet
• Horizontal cable guide for patch panels, network switches or PDUs
• Reduces cable and connector strain, improving the airflow in racks and cabinets
• Prevents sharp cable bends at connector ends (patchcords) and alleviate port/connector strain relief by securing the cables
• Dual Mode Installation - allows inwards or outwards installation relative to the rack mounting posts bar allowing an optimal cable routing
• Adjustable Depth: 40 - 90mm
• Flexible cable Installation - features 25x lacing holes with along the cable guide bar
• Hook and loop ties can be used to keep cables secured to the cable management bar
• 1U quality metal plate

Technical specifications	
Manufacturer	VALUE
